

New EDUCATION BULLETIN

Welcome to the first issue of *Breaking News!*

When new products and programs are launched, when new online courses are uploaded and when new training tools become available, we want YOU, **our educational partner**, to be informed.

We gladly welcome all of your feedback at education@medicalert.ca

New ONLINE CONTINUING EDUCATION COURSES

2 NEW courses recently added!

Get a certificate that's worth one hour of Continuing Education credit.

In support of the [LOOK-READ-CALL](#) initiative, MedicAlert offers **FREE** online courses open to all healthcare professionals and students.

[GET CERTIFICATE](#)

DID YOU KNOW ?

When you call the MedicAlert 24/7 Emergency Hotline:

1. Your patient's medical history and contact information can be **FAXED directly to the hospital, pharmacy, office** or any place that you request!
2. The line is answered by a live agent in **less than 5 seconds**

Helpful Hint

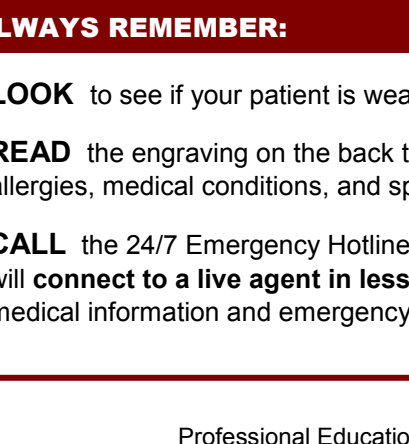

Program the MedicAlert 24/7 Emergency Hotline number in your cell phone or communication centre!

24/7 Emergency Hotline

1.800.407.7717

New MEDICALERT PRODUCTS

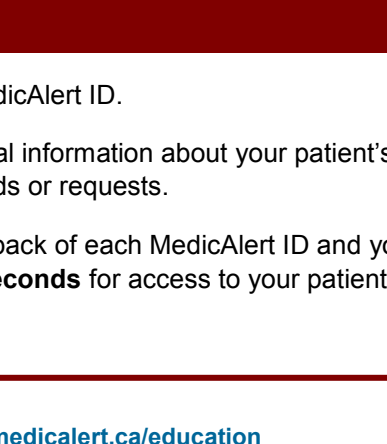

New Bicycle Chain Bracelet

The steel emblem is set on a 360° swivel and the Hotline number is engraved on the outer edge of the emblem.

New Infinity Links with Heart Pendant

ALWAYS REMEMBER:

LOOK to see if your patient is wearing a MedicAlert ID.

READ the engraving on the back to learn vital information about your patient's allergies, medical conditions, and special needs or requests.

CALL the 24/7 Emergency Hotline # on the back of each MedicAlert ID and you will **connect to a live agent in less than 5 seconds** for access to your patient's medical information and emergency contacts.
